

DELL MICRO ALL-IN-ONE STAND | MFS18

# Compact, convenient, and clutter-free

Shown with monitor and Micro desktop (not included).

## COMPACT AND CLUTTER-FREE

Maximize your desk space with this all-in-one stand which houses a Micro desktop and monitor in a small footprint. Neatly manage cables by routing them through the cable slots on the stand. The meshed cable cover hides cables from view, keeping your desk space clean and tidy.

## ADJUSTABLE AND CONVENIENT

Adjust the stand to your ideal level, or tilt, swivel, pivot (clockwise and counter-clockwise) to suit your viewing comfort. Its retractable telescopic handle lets you easily carry both the OptiPlex Micro desktop and monitor around with the stand.

## SECURE AND RELIABLE

Conveniently secure the stand to its Micro chassis with the Kensington lock slot and/or padlock slot. The meshed cable cover hides cables from view and prevents them from getting dislodged.
